

March 1, 1981 - Tues.

Dear Vickie and Jimmy,

By now you have received the tapes in which Dad sent the wrong one. It must have been a surprise. Mike is spending the week here and they just got their car back and it is still stopping while it is being driven so it is back in the garage again.

Mary likes to go out with her girl friends so we have Deane Alet and since the weather is so nice we always take her to some park. We often pick her up at school and then bring her home at bed time. This Thursday night Mary and Mike are going to a fine-brewed coffee party for former senator Magnuson. Deane will stay over night as there is no school Friday.

Dad thought you would be interested in this article so that's why I am sending it.

It won't be long before we will be seeing you and the itinerary

you have planned so well
soonderful. I am bringing some
receipts that I think you will
like and to give you a chance
to get out of the kitchen.

Good luck in the marathon and
we will see you soon.

Love,

Mom
